Hello and welcome back to another complete guide to everything Orchard Players!! Ever wonder exactly what goes on in those committee meetings??.....No?...Well just IN CASE you wondered, the answers are all in these newsletters!! So it's already March and there is plenty to report so listen closely. I shall literally say this only once!!

### Summer Show 2019

Once again a massive **THANK YOU** to everybody who has showed an interest and supported this project. Newsletter understands that the audition panel had a very tough job casting the show (they always do). It's very early days into rehearsals but so far the time has been used **productively** with blocking already being looked at and **lines being learned**.....  
.....so anyway yeah, **keep up the good work.**

### Annual General Meeting!!

As previously mentioned there is an AGM approaching! Can you feel it? Can you sense it? Are you getting those meeting vibes? Good! You are prepared! The AGM is on the **25th of April** and is a friendly meeting for the **ENTIRE** group so that **EVERYONE** can get together and express their feelings about what they are experiencing and hearing. It's so nice when **EVERYONE** is in the same room and can show a mutual interest in the goings on of their favourite group. It's not a compulsory meeting but **everyone** will be called that evening and it would be lovely to see as many people show an interest as possible.

### Membership

So! I'll keep this **simple**....it's a simple enough subject.... you may have noticed that In this group we **pay the membership**. Membership money goes towards various show expenses. **Paying the membership** is a delicate subject because it involves money....your

officially **LIVE** so don't forget to **check it out!!!** The address is [www.theorchardplayers.com](http://www.theorchardplayers.com) OR you could just type the name of the group into Google....that always tends to do the job.

## **Panto 2020**

This is the **final opportunity** to put your pantomime proposals forward for next year. Committee would like a proposal from every group member by the end of the month.....nah, just kidding of course! But if you do have the desire to put forward a proposal for the next pantomime then you have until the end of this month. Not long. Spit spot.

**LAST BUT CERTAINLY NOT LEAST.....**
